

Procedure to use Auto Transfer Software

(1). Connect the Walkman directly to a USB port on your computer.

(2). Start the Auto Transfer.

Auto Transfer can be started in two ways. Please refer to either 2.1 or 2.2.

2.1 If the Windows screen option appears, select [WALKMAN 'Auto Transfer'] and click **OK**. **Auto Transfer** stored in the build-in flash memory of the player will start up. Proceed to Step 3.

2.2 Double-click **My Computer** -  **WALKMAN]** or **Removable Disk** -  **(Auto Transfer.exe)**.
Proceed to Step 3.

(3). Set the desired items on the “Settings” screen.

Automatic search folder

You can specify a folder as the automatic search folder when you connect the player to your computer.

My Music and **Desktop** are specified (checked) by default. If you want to search audio files from folders other than **My Music** and **Desktop**, select a folder to search from.

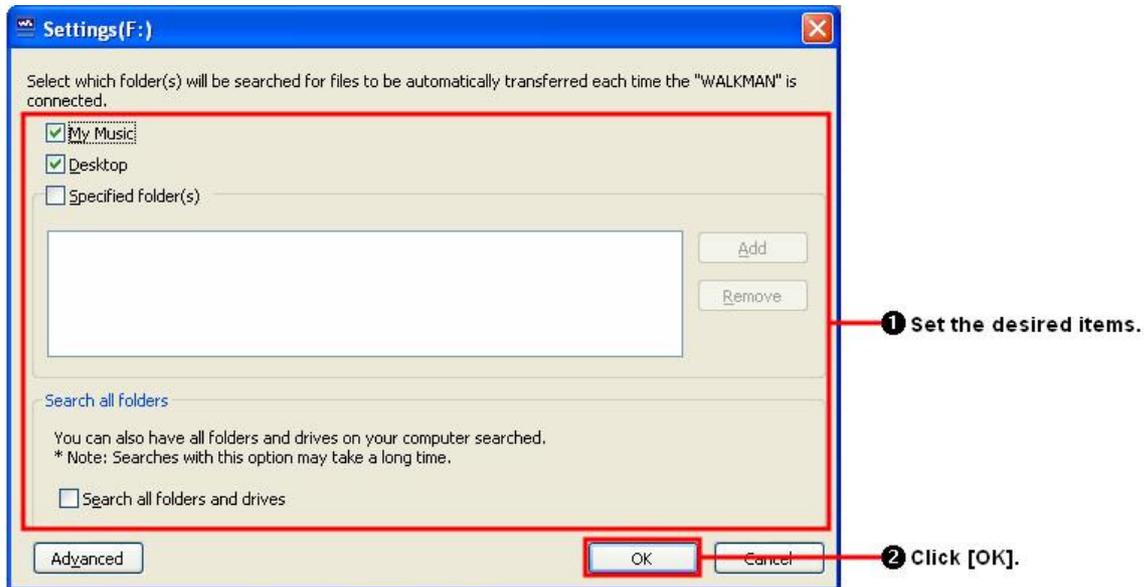

Specified folder(s)

Folder to be searched except for **My Music** and **Desktop** appear. When you click **Add**, the folder select screen appears and you can add a folder that is in **Specified folder(s)**. If you want to delete a folder from **Specified folder(s)**, select it, and then click **Remove**.

Procedure to use Auto Transfer Software

Search all folders

When you check **Search all folders and drives**, audio files will be search from the hard disk drive(s) and folders in your computer.

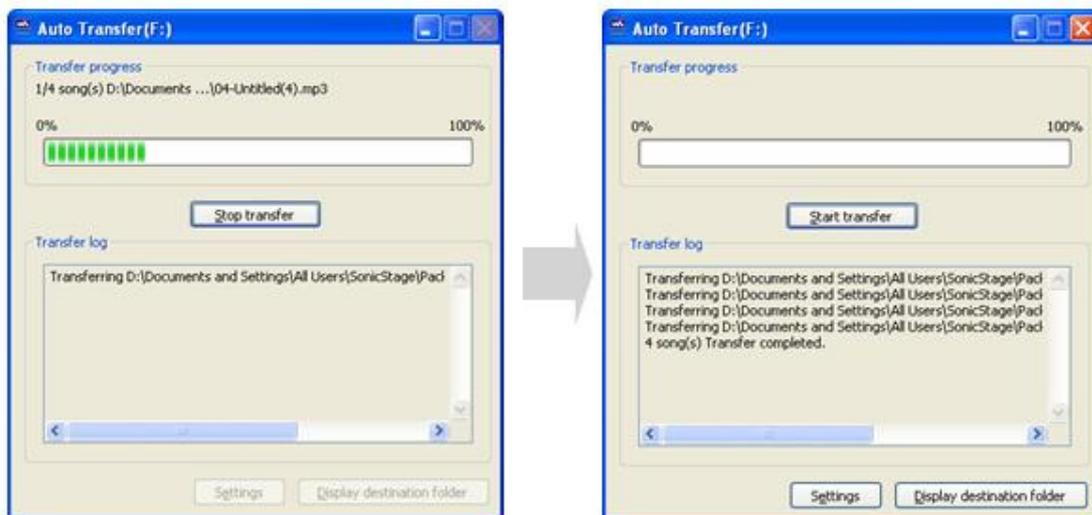

(4). Click [OK].

The screen for transfer appears and transfer starts.

When transferring completes, a message appears on the **Transfer log** section of the screen.

Click  at the right of the screen to close.

Note

Advanced

The **Advanced Setting** screen appears. You can specify the extension for an audio file or folder to be transferred.

Procedure to use Auto Transfer Software

1 Click [Advanced].

2 Click [Add].

3 Add an extension.

4 Select destination folder.

5 Click [OK].

| Extension | Destination folder |
|-----------|--------------------|
| mp3 | \Music |
| wma | \Music |
| | |
| | |

Tips

To quit “Auto Transfer” software

Even if you close the screen of **Auto Transfer** software, the **Auto Transfer** software is not fully exited.

To quit the **Auto Transfer** software, please right-click the  icon from the notification area at the lower right of Desktop, then select **Exit Application** from menu.
